

Shittu Iqmat Titilope

Data Analyst

09131456272/08150530231

shittuiqmattitilope@gmail.com

Professional Summary

Motivated Data Analyst with hands-on experience in Excel, Power BI, SQL, Python, SPSS, and Tableau. Skilled in data cleaning, dashboard development, data visualization, and extracting actionable insights from data. Experienced in academic and practical analytics projects, with a strong passion for transforming complex datasets into meaningful business solutions.

Technical Skills

Microsoft Excel, Power BI, SQL (MySQL), Python, Pandas, NumPy, SPSS, Tableau, Data Cleaning, Data Visualization, Web Scraping

Projects

JAMB Performance Analysis Dashboard

Built an interactive Power BI dashboard analyzing student performance.

- Created KPIs, score bands, demographic insights, and performance trends.
- GitHub: <https://github.com/Hikmah581/Jamb-Performance-Analysis>

SQL Data Analysis Project

Designed databases and wrote SQL queries for data extraction, transformation, and reporting.

- Generated insights to support decision-making.
- GitHub: <https://github.com/Hikmah581/My-SQL-project>

Iris Streamlit Dashboard

Built an interactive Streamlit application using Python.

- Performed exploratory data analysis and visualized trends.
- GitHub: https://github.com/Hikmah581/Iris_Streamlit_Dashboard

Work Experience at SQI College of ICT(Industrial Training)

Assisted in teaching and supporting students during Excel, Power BI, SQL, and SPSS training sessions

- Helped create Power BI dashboard backgrounds using AI-assisted design tools.
- Supported regression analysis exercises in SPSS.

Education

B.Tech. Computer Science (In View)

SQI College of ICT Ogbomoso

Ladoke Akintola University of Technology (LAUTECH)

Final Year

Certification

Data Science Certification (Tech Crush 15weeks bootcamp scholarship)

Data Analysis (SQI College of ICT)
